

# He's Everything

Words and music ©2006 Christopher M Solaas

## Intro:

## Verse 1:

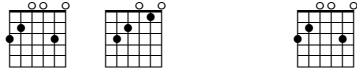

Long before there was time

For He made time itself

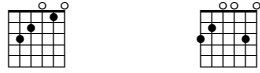

There was God and God alone.

Not with hammer and nail

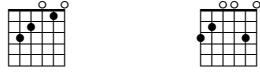

But with just His voice

He made everything

He made everything

He made everything I see.

## Verse 2:

He is King of all kings

He is Lord of all lords

He's my Savior and my friend.

He is the rock where I hide

He's the peace inside

And He's everything

Yes, He's everything

Yes, He's everything to me.

**Chorus:**

I was sentenced to die

Someone heard my cry

Someone came to set me free!

Though they spit in His face

He still took my place

And gave everything

I mean everything

He gave everything to me.

**Verse 3:**

There's a time yet to come  
When this life's work is done  
When He's coming back for me.  
You will see in that day  
When He wipes our tears away  
Why He's everything  
Yes He's Everything  
Why He's everything to me!

**Chorus:**
