

Hide and Seek

Words and Music ©2006 Christopher M Solaas

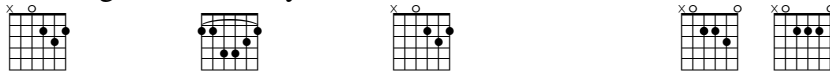

Intro:

Verse 1:

Looking in the laundry room underneath the blanket

Checking in the closet there behind the rack of clothes

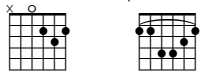

Underneath the big bed is the place where I find you

Pick you up and hug you and kiss you on the nose

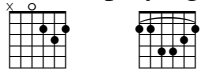

Chorus: (2 times)

Hide and Seek

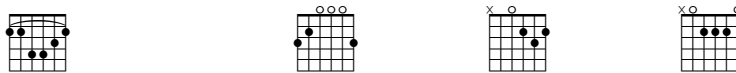

You're playing hide and seek with me

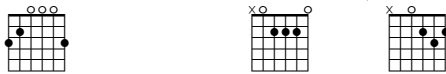

Hide and Seek

You hide and I'll seek

Like a search for buried treasure, I will seek until I find

For I know no greater treasure than you.

Verse 2:

Playing hide and seek
With my daughters and sons
I'm reminded how my Father
Sometimes hides from me
If I search with all my heart
He is certain to be found
Pick me up and dust me off
And set me on the ground

Chorus: (2 times)

Verse 3:

Searching through the bible
I discover Wisdom's Cry
Calling in the streets to us
To come and seek and find
If you search for her like silver
Like a treasure in the ground
If you cry out for Wisdom
She is certain to be found

Chorus: (3 times)
