

A Mother's Love

Words and music ©2007 Christopher M Solaas

Verse 1:

Tiny hands reach up to touch her face
Tiny lips that cry for her embrace
Tiny fingers pull her hair
Tiny eyes look up to hold her there
For a time...

A breath of heaven...
A glimpse of Jesus...
A moment beautiful, wonderful, overflowing joy
In her arms,
Safe in her arms...

Chorus:

A mother's love!
A mother's love
Seems the closest thing to heaven,
Your first gift from God above!
It drives away
Your deepest fear
Oh, thank the Lord for
That first gift
He gave to you:
The gift of
A mother's love!

Verse 2:

Teaching color names and ABC's
How to brush your hair and count to three
And every lesson that she shares
Underlines how very much she cares...
She cares for you...

Voice of an angel...
Smile like a sunrise...
Kiss like the soft wind blowing after a gentle summer rain...
In her arms,
Safe in her arms...

Chorus:
