

# Well Done

Words and music ©2007 Christopher M Solaas

## ***Verse 1:***

When the trumpet shall sound  
And we all turn around,  
We shall see Him in the clouds  
And be caught away  
When we're finally home,  
Gathered round His throne  
He will call your name  
And then I'm sure He'll say,

## ***Chorus: (twice)***

"Well Done, good and faithful one!  
Well Done, faithful servant and Friend!  
You have been faithful in  
So many little things!  
Well Done, Friend,  
Come and enter in!"

## ***Verse 2:***

You have served Him with cheer  
And for so many years  
Giving up so many worldly things  
to tend the Master's sheep!  
It's a 'labor of love'  
But your Master above  
Wrote it all down in the record book He keeps!  
And though your church cannot thank you  
Like your service deserves  
Your reward will be there for you  
From the Mighty King you serve  
Pressed down and spilling over  
For so many little things  
He will lift you up  
And make you Servant Kings!

## ***Chorus: (twice)***

"Well Done, Friend,  
Come and enter in!"
